OFFICE OF

Geoffrey Charlton Adams,

NUMISMATIST.

NEW YORK, U. S. A.

Cable Address: LAMA.

Dear Sir:

Again we offer for the delectation of our numismatic friends a most diversified lot of coins and medals from most any country you may choose to mention, including some choice Americans in Gold, Silver and Copper. The April Sale passed off very successfully and how the bidders did study the catalogue for fear that they would miss something, and it was a positive treat to read the letters received before and after the sale. When a true numismatist goes after game, he is pretty sure to bag some or know the reason why and so but very few bidders were unsuccessful. The usual number of catalogues, were distributed and more bidders than usual were in evidence. And apropos of the number of bidders, let us say a word right here, for that hard working individual the Commissioner. If you are in the habit of bidding at my sales through some Purchasing Agent or Dealer who has in the past given you satisfaction, continue to send him your bids, and don't for a moment think that I will be offended. "Live and let live" is my motto, there is room for all in the business, and yet no room for the Backbiter or Slanderer. We don't pretend to know it All even if we have been a collector for 28 years and a dealer for 11 years; we are learning every day and shall probably continue to learn, Deo Volens for some time yet but all the knowledge that we have acquired during that time is yours for the asking. With these few remarks we present for your consideration the within described coins etc. trusting that you will find something of interest and having found it you will send in your commissions.

Very truly yours

GEOFFREY CHARLTON ADAMS.
